## COUNTING ON EACH OTHER

"Passing the AIB Safety Audit was a big accomplishment for the Food Bank this year. This represents the ongoing dedication of the staff. We also appreciate the support of the 7,722 volunteers that spent over 25,000 hours supporting various activities at the Food Bank. The dedication of the staff and generous volunteers is vital to our success.

The Food Bank is also fortunate to work with some very generous organizations. Even with all of the support the challenge of feeding the hungry continues. There are still thousands of people in our communities who are food insecure.

On behalf of the Food Bank and our Board of Directors, we would like to thank you for your past support and ask you to help us meet the challenge of reducing the number of food insecure people in our communities. It is only through the hard work, generosity and of our staff, volunteers and donors that we can meet this challenge."

- Todd Brown,  
2015 Food Bank Chairman

# HUNGRY NEIGHBORS COUNT ON US

As kids we are often reminded of the importance of following the rules. Rules in school, public rules, the official rule of law and social rules. As we grow and begin to assume some position of leadership, wherever that might be, we understand that leadership sometimes means pressing the boundaries of rules and traditional management. Today, I can say thank goodness for the operations staff of the Food Bank of Northern Indiana for observing rules and consistently reaching for the highest standard of food safety and operational integrity.

This past December, one of our busiest times of the year, the Food Bank staff had to pivot their attention to the AIB safety audit looming on the horizon. Not only did our warehouse and operations staff need to complete this rigorous audit, but it is mandatory to exceed a score of 750 to meet the extremely high standard of Feeding America (our national partner in hunger relief). Failing this audit could mean jeopardizing our contract and critical relationship with this leader in domestic hunger.

In the end, the 750 required score was eclipsed by the 905 result our staff earned by embracing the rules and following a high standard we set for ourselves. Perfection.... no. Still, the AIB process, which will be an annual exercise, has reminded us that our neighbors who are hunger insecure, and who count on us to deliver a safe and dignified experience, are deserving great effort. And, not only is our warehouse staff focused on great outcomes, but so are our program leaders. Our Mobile Food Pantry Program, Food 4 Kids Backpack Program, Senior Nutrition Program, Diaper Bank and Healthy Choices Market continue to make strong impacts.

So, thank you to our staff. And, thanks for those pantry partners and clients who bring issues and opportunities to our attention so that we have an opportunity to improve lives every day.

A handwritten signature in black ink that reads "Milt Lee".

## HUNGRY FAMILIES COUNT ON US

### AGENCY RELATIONS

**Working together to feed the hungry and build capacity.**

During the spring and summer, Agency Relations team members hosted a series of seminars on partner, volunteer and board capacity building. Sessions included *"How Leadership Impacts Sustainability and Telling Your Story"*, *"Conflict Management and the Aging Volunteer"*, and *"Outcomes and Backup Plans"*. The seminars were planned in partnership with United Way and the Indiana Non Profit Resource Network and featured keynote speakers who are leaders in their respective fields.

# HUNGRY CHILDREN COUNT ON US

## FOOD 4 KIDS BACKPACK PROGRAM

For many children, school meals may be the only meals they eat. The Food 4 Kids Backpack Program ensured that 2,000 children have something to eat on the weekends, too.

Since 2006, the Food Bank has been feeding children during the school year on weekends and holiday breaks through the Backpack Program.

During the 2014-2015 school year, the Food Bank partnered with 36 schools in Elkhart, LaPorte, Starke and St. Joseph Counties. The Jordan Automotive Group has been the Food 4 Kids presenting sponsor since 2009.

*The Jordan Automotive Group has been the Food 4 Kids presenting sponsor since 2009.*

## DIAPER DISTRIBUTION

Because all babies deserve clean diapers, the Food Bank distributed 415,417 diapers through its network of member agencies.

As a partner of the National Diaper Bank Network, we know that access to clean diapers improves the physical, mental and economic well-being of babies, families and communities.

HUNGRY  
SENIORS  
COUNT ON US

## COMMODITY SUPPLEMENTAL FOOD PROGRAM

Limited resources make it challenging for low-income seniors to sustain a healthy lifestyle.

In cooperation with the Indiana Department of Health, the Food Bank of Northern Indiana rolled out a new Commodity Supplemental Food Program (CSFP) in the fall. CSFP is a federal program in which eligible, pre-certified, low income seniors receive a box of nutritious, shelf-stable food each month. This is the first time when government funds have been available for this program in northern Indiana.

This program's first distribution took place in October distributing 450 boxes each month in Elkhart, LaPorte and St. Joseph Counties.

Agency partners, The Window in Goshen, Faith Mission in Elkhart and Salvation Army LaPorte, help the Food Bank distribute the boxes each month.

The Food Bank of Northern Indiana is responsible for the distribution of USDA commodities under The Emergency Food Assistance Program (TEFAP) in our six-county service area. We work with the Indiana State Department of Health to distribute healthy pantry staples, fresh meat and produce to selected agencies, where it is provided to clients.

## SENIOR NUTRITION PROGRAM

Distributing adequate nutrition to seniors each month in our six-county service area is critical to health, functioning and a quality of life.

**Through its Senior Nutrition Program, the Food Bank of Northern Indiana provided seniors each month with a monthly bag of items or 8,308 bags over the course of the year.** The average weight of the bag was 11 pounds and included items such as canned meat or tuna, pasta and pasta sauce, canned vegetables, canned fruit, fresh produce, bread, meat, yogurt, crackers and personal care items when available.

# COMMUNITY HEALTH PROGRAMS

## Healthy Choices Market:

Teaming up with health professionals to educate low income diabetic and high blood pressure patients with cooking demonstrations, tips and a healthy shopping experience to live a healthier and more active lifestyle.

The Food Bank of Northern Indiana partners with St. Joseph Regional Medical Center, Memorial Hospital of South Bend and the American Culinary Federation – South Bend Chef's Association on this program which is helping people like Patricia.

Patricia is diabetic, has high blood pressure and struggles with food allergies. As a low-income individual who relies on food pantries to stretch her dollar, the opportunity to attend the Food Bank's Healthy Choices Market cooking classes has been very beneficial to her.

She said, "Chef Alan is a dream. Because of my food allergies, I can't eat lettuce and tomatoes. He's taught me how to substitute foods and be satisfied with what I eat, too."

Patricia is grateful for the fresh fruits and vegetables she was able to receive -- many times, fresh fruits and vegetables are not offered at food pantries. It's a struggle to live a healthier lifestyle with limited options. With the Food Bank of Northern Indiana's Healthy Choices Market, Patricia is learning to learn, choose and live!

# WE COUNT ON FOOD DONORS

## FOOD SOURCING

Working with Retailers, Manufacturers and Growers in northern Indiana to Feed the Hungry

In 2015, the Food Bank worked with a variety of donors and food brokers to glean 6,995,360 pounds of food. These donations include

- 2,979,022 pounds through national donors
- 1,018,678 pounds from local donors
- 953,815 pounds purchased
- 2,043,845 pounds through the U.S. Department of Agriculture and The Emergency Food Assistance Program (TEFAP).

Our 2015 local and national store donation program partners included:

Aldi, Big Lots, Bimbo Bakeries, Coca-Cola, ConAgra Foods, Costco, Dollar General, Kraft, Kroger, Little Caesar's, Marsh, Meijer, Nestle, Pepperidge Farms, Pepsi Cola, Pizza Hut, Red Lobster, Target, Sam's Club, 7-Up Bottling, Starbuck's, Walmart and Whole Food.

We continue to work with food brokers to reduce our overall purchased food cost. IRBN has helped us reduce the overall cost of purchased products for general inventory, hunger programs and holiday programs. In addition, we work with vendors such as Global Foods, Good Source and Value Added Food Sales (formerly F&AM) to fill the gaps with products we can't acquire locally.

# OUR MISSION

The Food Bank works in partnership with the community to feed the hungry, increase awareness of the effects of hunger and lead programs designed to alleviate hunger. The Food Bank of Northern Indiana serves Elkhart, Kosciusko, LaPorte, Marshall, Stark and St. Joseph Counties, and is a member of Feeding America, Feeding Indiana's Hungry (FIH) and United Way.
